

Winnetka Heights Neighborhood Association
Officers Meeting
Monday, May 24, 2010

The meeting was held at 509 N Montclair and was called to order at 7:05 p.m. by President Kyle Ward. Those present were: Kyle Ward, Michele Colbert, Diane Sherman and Trey Taylor. Kyle welcomed Michele as a newly elected member to the Board.

Kyle reported he has received input from several people following last week's General Membership Meeting in an effort to discover what misconceptions or misunderstandings may have served as catalysts that gave rise to the recent dissatisfaction. He believes, in general, there is a need for greater transparency and the recent dissatisfaction is not necessarily focused on the expenditures of funds but rather on process and communication. Kyle presented an outline (see attached) designed to increase transparency through enhanced communication and guard the free exchange of ideas.

A long discussion followed on how to achieve greater transparency and work closely towards considerable harmony. Dissemination methods were reviewed with regard to the varying levels of effectiveness and cost. The various methods for gathering ideas and input from the membership were analyzed followed by discussion on how to best consider the ideas received, how to best take action and how to gain feedback on the action taken.

The structure of and leadership for the Standing Committees was discussed. The following incumbents would be contacted by Michele to determine if they remain interested in serving:

Communications	Jeff Fahrenholtz
Community Planning and Development	Anne Hagan
Crime Watch	Kirk Kirksey
Membership	Crystal Gonzales/Erin Slettebo

A new Code Awareness Chair is needed to fill the position previously held by Linda Ward. As recommended at the General Membership Meeting, an Ad Hoc Budget and Finance Committee should be created to focus on funding, ways and means. Michele reported several members had indicated interest in serving in the area of Code Awareness and several others were interested in serving on the Budget and Finance Committee.

It was decided that Michele would contact Trace Beard to vet his level of interest in serving as Chair of Code Awareness and Lee Ruiz as Chair of Budget and Finance. Michele agreed to report back in a week.

The meeting was adjourned at 8:25 p.m.
